AIR | OCEAN | GROUND

SERVICES

Cargo Logistics Group offers a wide range of logistics services tailored to meet the needs of your company. CLG can move your cargo throughout our worldwide network via air, ocean, or ground while providing unparalleled communication and on-line tracking.

Export

CLG is familiar with all of the documentation, security, and compliance requirements to make your exports move smoothly.

Air Export

- Economy Service – for less time sensitive shipments.
- RUSH – for Next Flight Out (NFO) cargo.

Ocean Export

- Full Container Load (FCL)
- Less-than-Container Load (LCL)

Ground Export

- Canada – Full coverage into Canada. Full truckloads or LTL.
- Mexico – Trucking into most regions of Mexico. Full truckloads or LTL.

Import

CLG can assist with ocean, air, or ground import shipments. Our experienced staff will ensure an easy transition through Customs to final destination.

- **Air Import** – CLG can assist from origin to destination.
- **Ocean Import** – FCL or LCL from over 80 countries globally to your door.
- **Ground Import** – Truckload or LTL shipments from Canada or Mexico to anywhere in the USA.

Air Freight

We can move your Domestic or International air freight shipments with no size or weight restrictions.

- **Domestic Economy Air** – For your shipments that do not require next day service.
- **Domestic Next Day Air** – Next Day service to or from anywhere in the continental USA.
- **Domestic Next Flight Out** – Fastest service available.
- **International Economy** – For your standard shipments.
- **International RUSH** – Tailored for shipments that are top priority!

Ocean Services

CLG will design our ocean service around your company's needs in order to provide a product that really delivers value.

- **Imports** – Full Container Load (FCL) or Less-than-Container Load (LCL) from over 80 countries globally.
- **Exports** – Full Container Load (FCL) or Less-than-Container Load (LCL) to over 80 countries globally.
- **Ocean to Ground/Air** – Full inland distribution of FCL or LCL after it arrives into destination port via ground or air.
- **Additional Ocean Services** – Break-bulk, Container loading, Container breakdown, Consolidation, Drayage, Customs Brokerage, and Documentation.

Truckloads

CLG is a licensed and bonded truck broker with years of experience shipping a wide range of commodities. Our extensive network includes the continental US, Canada, and Mexico.

- **Dry Vans** – Single driver or Two-man teams as your needs dictate throughout North America.
- **Refrigerated Vans** – CLG can move your perishable or temperature sensitive products.
- **Specialized Trucking** – Flatbeds, Lowboy Trailers, Step Deck Trailers, Oversize Loads, and Dangerous Goods.
- **Other Services** – Food Grade Vans, Logistics Vans, Blanket wrap, or Multiple stop consolidations.

Less-than-Truckload (LTL)

CLG can pick up and deliver your LTL shipments anywhere in the USA, Canada, or Mexico.

- **Economy Ground** – Maximum savings for less time sensitive orders.
- **Priority Ground** – Time specific ground service.
- **Additional LTL Services** – Appointment deliveries, Time specific, Military bases, Convention centers, Lift gate, Inside pickup or deliveries, Hot shots, or storage when required.

Project Distribution

When mass distribution is required, look no further than CLG to make sure the project runs seamlessly. Our team is expert at coordinating, planning, handling, and executing project distributions throughout our global network. Allow our logistics professionals to help you with the planning process to realize maximum efficiency and savings.

Tradeshows

CLG can help make sure your tradeshow event happens as planned. We handle tradeshow moves for our customers all over the world. We will also coordinate the safe return of your cargo after the show closes.

Packing, Crating, Warehousing Distribution

Custom packing and crating of your cargo. Our packing professionals can pick-up and pack or pack/crate on-site as needed. Short or long term storage of your cargo and distribution anywhere throughout our network as required.

Customized Logistics

We realize that various industries require a specialization that often requires commodity specific knowledge. CLG transports a variety of specialized commodities on a daily basis, including Chemicals, Food Products, High Tech Equipment, Printed Matter, DOD Commodities, Heavy Equipment, Oversized Cargo, Retail Fixtures, Machine Parts and many others. No matter how specialized your product, we will customize a logistics solution to fit your needs.
